

Grants Opportunities: Education (11)

May 2013

Advanced Placement (AP) Test Fee Program

Granting Agency: Office of Elementary and Secondary Education' Department of Education

Current Closing Date for Applications: 6/3/2013

Expected Number of Awards: 44

Eligibility: SEAs in any State

Estimated Total Program Funding: \$28,727,000

CFDA Number: 84.330

Funding Opportunity Number: ED-GRANTS-040213-001

The AP Test Fee program awards grants to eligible State educational agencies (SEAs) to enable them to pay all or a portion of advanced placement test fees on behalf of eligible low-income students who (1) are enrolled in an advanced placement course and (2) plan to take an advanced placement exam. The program is designed to increase the number of low-income students who take advanced placement tests and receive scores for which college academic credit is awarded.

Current Closing Date for Applications: 7/3/2013

Expected Number of Awards: 50

Eligibility: Unrestricted

Estimated Total Program Funding: \$20,000,000

CFDA Number: 47.076

Funding Opportunity Number: 13-552

The chief goal of WIDER is to transform institutions of higher education into supportive environments for STEM faculty members to substantially increase their use of evidence-based teaching and learning practices. The first recommendation in the Report of the President's Council of Advisors on Science and Technology is to increase widespread implementation of evidence-based practices in order to increase persistence in STEM and contribute to the goal of producing 1 million additional STEM graduates. Through this process, WIDER seeks to substantially increase the scale of application of highly effective methods of STEM teaching and learning in institutions of higher education, by employing instructional materials and methods that have a convincing evidentiary basis of effectiveness. **For more information**, go to www.nsf.gov/publications/pub_summ.jsp?ods_key=nsf13552

Trade Adjustment Assistance Community College and Career Training Grants Program

Granting Agency: Employment and Training Administration

Current Closing Date for Applications: 7/3/13 (Consortium Applicants), 7/18/2013 (Single Institution Applicants)

Expected Number of Awards: 70

Eligibility: Public, proprietary, or other nonprofit institutions of higher education as defined in Section 102 of the Higher Education Act of 1965 (20 U.S.C. 1002) which offer programs that can be completed in not more than two years

CFDA Number: 17.282

Funding Opportunity Number: SGA-DFA-PY-12-10

This solicitation announces a third round of funding under the TAACCCT grant program. The primary intent of the TAACCCT program is to meet the educational or career training needs of workers who have lost their jobs or are threatened with job loss as a result of foreign trade by funding the expansion and improvement of education and career training programs that are suited for these individuals; however, the Department expects that a wide range of individuals will benefit from the TAACCCT program once education and training programs are developed and implemented. **For more information**, enter Funding Opportunity Number into www.grants.gov.

Education Research and Development Centers

Granting Agency: Institute of Education Sciences, Department of Education

Current Closing Date for Applications: 9/4/2013

Eligibility: Non-profit and for-profit organizations and public and private agencies and institutions, such as colleges and universities, that have the ability and capacity to conduct scientifically valid research

CFDA Number: 84.305

Funding Opportunity Number: ED-GRANTS-042313-003

The Director of the Institute of Education Sciences (Institute) announces the Institute's FY 2014 competitions for grants to support education research and special education research. The Director takes this action under the Education Sciences Reform Act of 2002. The Institute's purpose in awarding these grants is to provide national leadership in expanding fundamental knowledge and understanding of developmental and school readiness outcomes for infants and toddlers with or at risk for disability, and of education outcomes for all students from early childhood education through postsecondary and adult education. **For more information**, go to www.gpo.gov/fdsys/pkg/FR-2013-04-23/pdf/2013-09543.pdf
